Strata 2 Tambour Cabinet

PRECISION BY DEXION

Introduction

The Strata 2 Tambour Cabinet perfectly blends generous storage capacity with a modern design aesthetic. Of the many key features, perhaps the most striking is the clever articulated curtain design that allows quick, easy accessibility while ensuring open doors do not impede on floor space in front of the cabinet.

The diverse range of sizes are flexible enough to accommodate all modern office environments, while the smaller sizes have been specifically designed to align with common workstation screen heights to maintain an open plan ambience. Its durable powder coated exterior is available in both texture and satin finishes.

Equipped with a signature slimline handle design, the cabinet is available in a range of colours, including a GECA certified, ABS translucent slat. The Strata 2 Tambour Cabinet is fitted with ABS door slats as standard to prevent the emission of fumes in case of a fire.

The Strata 2 Tambour Cabinet boasts innovative full height magnetic strips on the door posts to ensure a tight, secure and seamless finish when doors are closed.

Features

- Achieve maximum storage capacity across a range of cabinet sizes incorporating fully adjustable shelves
- Environmentally sustainable ABS door slats as standard, now also available in a translucent finish
- Secure Pincer locking system provides ultimate peace of mind with one key operating two lock latches with separate anchor points in the door. Secure 3000 series locking system including master key availability
- Levelling feet as standard and adjustable from the base inside the unit
- Optional lockable heavy duty castors (height restrictions may apply)
- Wide variety of accessories which are interchangeable across Precision by Dexion products
- Magnetic strips to door posts eliminate door gaps
- Complimentary matching planter box range
- Removable barrel folding key with antimicrobial properties for durability, pocket comfort and hygiene
- GECA certification
- Made from 100% recyclable sheet steel under ISO14001 EMS certification
- Durable powder coat finish

Other

Accessories

- Shelf – slotted
- Shelf – plain
- Shelf – slim
- Divider – slotted shelf
- Divider – plastic
- Divider – wire
- Roll out – file frame
- Roll out – media drawer
- Roll out – reference shelf
- Roll out – shallow drawer
- Roll out – deep drawer
- Multi drawers
- Coat rail

Made to Order – Non Standard Colours

Over and above our standard stocked colour range, we offer a contemporary range of colours for you to choose from.

- BT – Black Texture
- MW - High Voltage
- DU - Dune
- IW - Oyster Grey
- SG – Silver Grey
- MI - Midnight Blue
- DS - Deep Sea
- RG - Rivergum
- FR - Flame Red

Alternatively cabinets are available in all standard Dulux and Interpon powdercoat colours. Please speak with your sales consultant for more information.

Planter integration

Strata 2 Planter boxes are designed specifically for integration with the Strata 2 cabinet range. Planter boxes and cabinets are designed to align with standard heights in the cabinet range producing clean, consistent lines.

Please note: the recommended maximum height combination should not exceed 1430mm. The maximum height is achieved by using a 1200mm high cabinet with a standard 230mm planter box. Planter boxes accept 200mm diameter pots.
