

Storage | classic filing cabinets

Features & benefits

- All steel construction with fully powdercoated scratch resistant finish
- Rivetless exterior that enhances the cabinets appearance and avoids damage to adjoining furnishings
- Full height drawer sides that not only provide protection and support for suspension files but allow for alternative storage uses
- Antitilt feature prevents a second drawer from being opened before the first is closed
- Ball bearing, full extension runners provide smooth and quiet operation of the drawers (tested to over 400,000 cycles) and are equipped with a drawer retention mechanism to prevent 'bounce back' on shutting
- AFRDI approved, ensuring compliance with Australian Standard AS5079.2:2003 Filing Cabinets
- Lifetime warranty (conditions apply)
- New Zealand made
