

Luxe

The Luxe seat's 70mm high density structure provides ultra comfort and support. It moulds to the shape of your body, creating a comfortable snug feeling, while still maintaining an ergonomic balance.

The 3 lever ergonomic mechanism gives you more adjustment for more comfort. All levers are close to the seat and within easy reach.

The premium quality gas springs are guarantee them for life—nothing worse than soggy suspension.

You've only got one back and we help you to look after it! Specially contoured high density foam gives you long-term comfort and support. Pronounced lumbar support feels just right.

Our reinforced nylon/ fibreglass star bases are extra strong and tested to 1130kg. Large 60mm castors make it easy to move.

The Luxe gives you more space and more support to achieve your everyday tasks to the best of your ability. Achieve maximum comfort and softness with the combination of the Luxe seat and Breathe fabric
