Mobile 'Fixed' Whiteboards & Pinboards

Mobile whiteboards and pinboards are just that!

Robust steel legs (with 50mm castors) are attached to whiteboards or pinboards so that they can be used for displays or as dividers.

Available in a range of sizes, mobile whiteboards and pinboards satisfy a wide variety of requirements and can be used as room dividers or partitions.

The pinboards are available in a range of fabric colours or customer supplied fabric.

Mobile 'fixed' whiteboards are an alternative to the pivoting whiteboards.
