# U.R.

# SPACE

U.R. folding tables provide a tilt-top stacking table for workplaces that demand flexibility such as boardrooms, training rooms and temporary desking. U.R. folding tables are also fitted with lockable soft tread castors and are supplied with table linking mechanisms as a standard feature.

### Finish Options

Chrome: Chrome with polished aluminium feet (optional mesh modesty panels are also available to provide privacy for the user)

Black: Powdercoat with polished aluminium feet (optional mesh modesty panels are also available to provide privacy for the user)

Space frames are finished in standard anodized silver finish.

Powder coat finishes are available on request.  
and storage units Accessory panel hung

U.R. has been designed with the environment in mind. Life Cycle Assessments (LCA) were commissioned to determine the most appropriate materials to achieve the desired finishes.

Components produced from materials such as die cast aluminium have been designed using Finite Element Analysis (FEA) to ensure the strongest structure whilst eliminating excess material. U.R. has been designed for 100% disassembly, ready for recycling.
